

Cookies Policy

By clicking on or navigating rawg.io (“RAWG”), you agree to allow us to collect information on and off RAWG through cookies. This policy explains how we use cookies and the choices you have.

Cookies are small pieces of text entered into the memory of your browser by a website, allowing the website to store information on your device and later retrieve it.

RAWG uses different types of cookies, some of which are placed by third-party services. The law states that we can store cookies on your device if they are strictly necessary for the operation of RAWG. You can manage the settings for all other types of cookies at any time.

Types of cookies

› Session and persistent cookies

Session cookies last as long as your online session, and disappear from your device when you close your browser.

Persistent cookies stay on your device after you close your browser and last for a time specified in the cookie (unless deleted by you earlier).

› First-party and third-party cookies

First party cookies are by RAWG. Only we can read them.

Third-party cookies are set by someone other than RAWG. You may adjust your browser settings to prevent the receipt of third-party cookies, or to provide notification whenever such third-party cookies are sent to you (more details in [How you can manage cookies](#))

Why we use cookies

While the cookies that we use may change from time to time as we improve and update RAWG, the cookies we use serve the following main purposes:

- › **Strictly necessary cookies** are essential for the operation of RAWG, so that you can move around the website and use its features. Without these cookies some parts of RAWG will not work.
- › **Functional cookies** allow RAWG to remember choices you make to provide better functionality and personalised features. These cookies may be set by us or by third-party services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.
- › **Performance (statistical) cookies** help us improve the performance of RAWG based on the information about how RAWG is used, for example, page views and traffic sources.
- › **Targeting (marketing) cookies** may be used to build a profile of your interests and show you relevant adverts on other websites. These cookies be set through RAWG by us or our advertising partners.

List of cookies we use

How you can manage cookies

You can delete the cookies installed in the past and manage preferences for cookies in your browser settings. Find out how to manage your cookies in the most commonly used browsers:

- › [Google Chrome](#)
- › [Mozilla Firefox](#)
- › [Apple Safari](#)
- › [Microsoft Internet Explorer](#)

You can manage preferences for third-party cookies via the tools provided by those parties. For example, you can manage Google's cookies by visiting [Google Ad Settings](#) or installing [Google Analytics Opt-out Browser Add-on](#).

You may also follow the instructions provided by the [EDAA](#) (EU), the [Network Advertising Initiative](#) (US), the [Digital Advertising Alliance](#) (US), [DAAC](#) (Canada), [DDAI](#) (Japan) or other similar services. Such initiatives allow you to select tracking preferences for most of the advertising tools.

Changes to this Cookies Policy

We keep this Cookies Policy under regular review. We strongly encourage you to check this page https://rawg.io/privacy_policy often, referring to the listed date of the last modification.

Effective Date: 25/05/2018

Learn about how we process personal data in our [Privacy Policy](#).
